WILDSIGHT'S WINTER WONDER PROGRAM

HALF-DAY FIELD TRIP FOR K-3 TEACHERS & STUDENTS

Winter Wonder takes students and teachers on an outdoor field trip focusing on winter ecology, sensory snow science, and animal and plant adaptation to snow and cold.

Wildsight environmental educators Frosty Flake and Captain Powder build appreciation of the winter season through fun-filled games, stories, hands-on learning, and even snow-cone art!

WINTER WONDER IS:

- Linked to B.C. curriculum
- Focused on outdoor experiential learning
- Held just a short walk from each school, or right in the school yard!
- Designed to support healthy, active learning

Available January 9th - March 2012.
Book early to avoid disappointment!

“ Kids/teachers are more aware of the importance of animals and their environment. When they see and discuss it this way, I think they understand it better and care more.

Carolyn Melenka,
Fruitvale Elementary

“ Wildsight's programs provide students the opportunity to connect with nature. These engaging programs help our children develop an awareness of the importance of caring for our home.

Bree Green,
Isabella Dicken Elementary
