WILDSIGHT'S CLASSROOM WITH OUTDOORS

FREE FULL-DAY ECOSYSTEM AWARENESS FIELD TRIP FOR GRADE 4-7 TEACHERS AND STUDENTS.

Classroom With Outdoors offers B.C. curriculum-based outdoor education to promote healthy, active learning through exciting and engaging methods. Our knowledgeable, experienced education professionals help students form lasting connections with nature while having fun and learning at the same time!

Grade 4–Magic of Ecosystems

Students learn about the magic of nature through herbology, magical creatures, aqueous potions, stewardship spells, and much more!

Grade 5–The Web of Life

Students discover interrelationships in nature—and consider the concept of ‘renewable and non-renewable resources’ as they play a game of ecosystem survival.

Grade 6–Diversity of Life and Nature’s Services

Students explore the importance of biodiversity and the link between healthy ecosystems and healthy humans.

Grade 7–Lessons from Nature

Students investigate ecological principles and learn valuable lessons for life from our wisest and oldest of teachers - nature itself!

“I love how it’s about places that students live in, learning about plants and animals in their local area.”
Carol Potter, Grade 5 teacher,
Kootenay Orchards Elementary, Cranbrook

“Wildsight has always provided instructors that have a wealth of knowledge and a very evident passion for the outdoors. They are positive, capable teachers.”
Denise Mauro, Grade 6 teacher,
Glenmerry Elementary, Trail
